HOLISTIC ELEMENTS

design details

Trail blazers, Aries add sparks of visual interest to their space...a fun backsplash, a bold painted ceiling...Aries aren't afraid to think outside the design box.

intentional items

Aries are an active and energizing bunch. To connect to that energy, add fresh scents like lemon or eucalyptus to invigorate your space + yourself.

home rituals

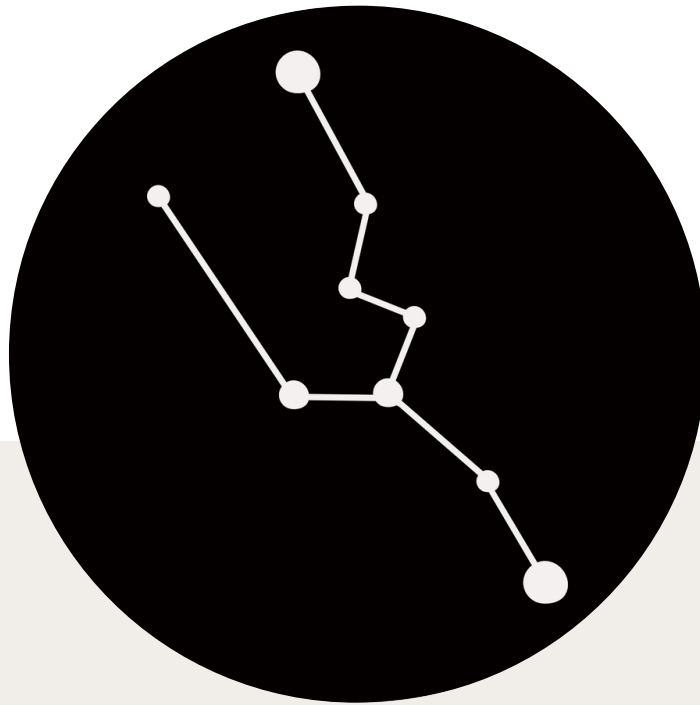

For that Aries "take charge" energy, start the day off with some morning yoga or home exercise to get the blood pumping and fired up for the day ahead.

HOLISTIC ELEMENTS

design details

As active and adaptable as a Gemini is, their home needs to be as well. Modular furniture is a game changer for this zodiac sign.

intentional items

A Gemini's need for flexibility and change means choosing decor items that you can rotate out, like a pegboard or picture ledge shelf.

home rituals

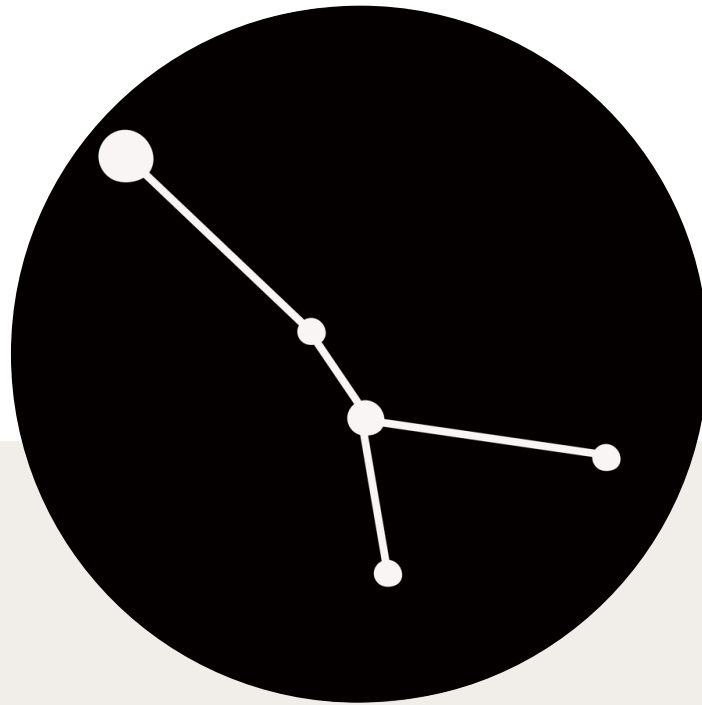

Lovers of learning, a great home ritual is to bring more reading into your life. Create space (both physically and energetically) to enjoy reading and recharging.

HOLISTIC ELEMENTS

design details

Virgos are no nonsense types who appreciate simple + sleek furniture with an earthy touch. Use lots of natural materials and look for well-crafted items.

intentional items

Natural caretakers, house plants provide a Virgo with a task and a nurturing sense of accomplishment. Plus they help to ease an overactive Virgo's mind.

home rituals

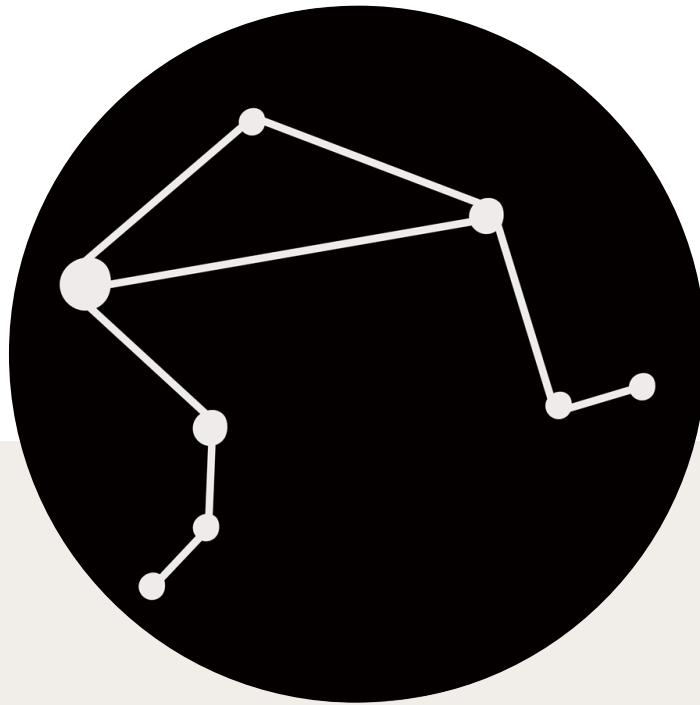

For a Virgo, a home decluttering and organizing is more than just a tidy up...it's home therapy.

HOLISTIC ELEMENTS

design details

Scorpios crave a little bit of darkness when it comes to their design. This can be a Dark Academia style or just some moody blue color scheme.

intentional items

Scorpios like to add a little bit of the occult into their decor. Whether this is crystals or crescent moons, find things with a touch of witchiness.

home rituals

Hold a seance...just kidding. But doing some moon rituals (new or full) is a good way to bring more magick into your space. Try intention setting or charging your crystals.

HOLISTIC ELEMENTS

design details

Capricorns are practical creatures, even with design. Invest in practical pieces, choose sensible neutral colors, and bring timeless elements into the home.

intentional items

For a level-headed Capricorn, functional decor dots the Ts and crosses the Is. Some examples are storage baskets or a pottery vase for your kitchen utensils.

home rituals

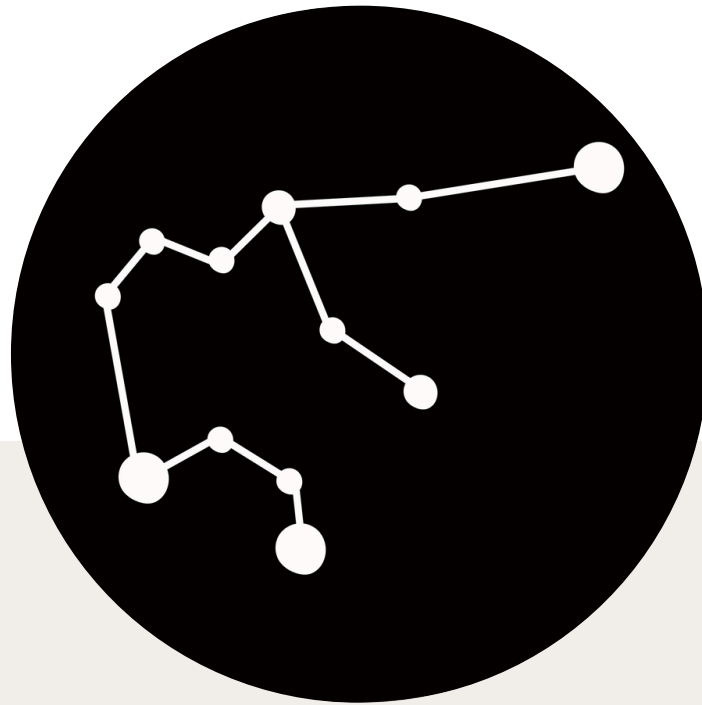

Adopting home hobbies provides a Capricorn the chance to develop + hone their skills. Some examples include DIYs, gardening, or making your own cleaning products.

HOLISTIC ELEMENTS

design details

Aquarians pride themselves on being unique, and that's reflected in their home. Look for quirky one-of-a-kind pieces and play around with fabrics and prints.

intentional items

One of the best ways to highlight an Aquarian's unique vibe is through the personal decor like one-of-a-kind pieces or quirky knick knacks.

home rituals

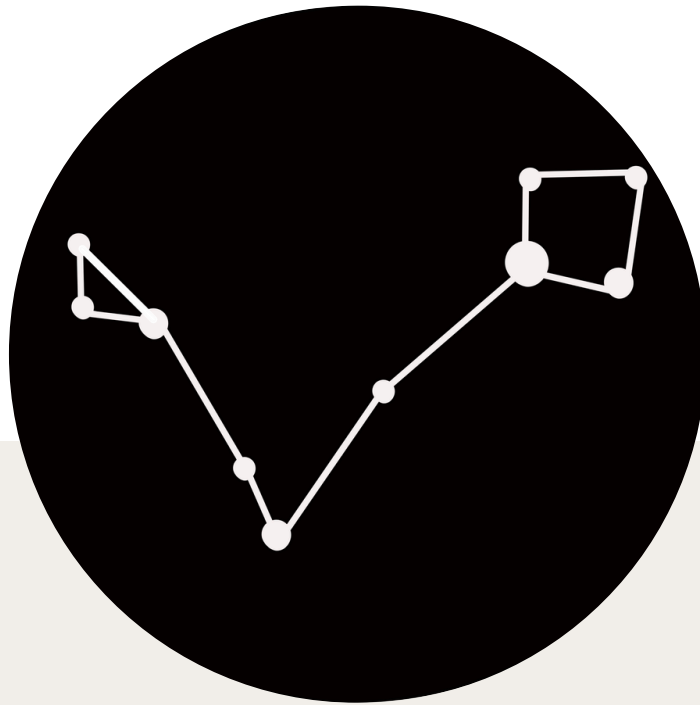

Since Aquarians enjoy unique pieces, going thrifting is a great way to do so. Plus it's sustainable, and we're all about that!
